THE 4TH
ANNUAL
[FABULOUS]

BRUNCH

It's my pleasure to invite you to participate in our fourth annual Ladies' Tea & Brunch event AND its fabulous table decorating contest on **Saturday, May 2nd, 2020**. This exciting and often hilarious event has become something I look forward to hosting every year and sharing with other powerful women in Tahlequah. It's a terrific chance to make fun memories with special friends, family, or coworkers while doing good in the community. We always have so much fun wearing giant hats and eating at fancy tables while raising Autism awareness and funding for special training for our beloved Cherokee County SpEd teachers!

This year's brunch is funding several low-cost or free trainings in our community for parents, educators, healthcare workers, daycare workers, and law enforcement officers concerning Autism and other special needs. We will also be funding STAR Autism certification training for educators at Peggs School. Many rural **schools would not otherwise have afforded the supplies and certification for the STAR Autism Program**, a research based curriculum proven to help non-verbal and Autistic children build a solid academic foundation to build upon. Peggs is the 8th elementary school in Cherokee County that will receive this certification training thanks to this fundraiser's annual success!

I sincerely hope that you will consider being a table hostess at what's sure to be the most fabulous brunch event we have hosted to date, and supporting more autistic students than ever!

Information on the table decorating contests, FAQ's, and guidelines are enclosed. We expect to be entertaining 250 ladies ages 1 to 100!

Please respond soon to reserve your table as they fill up fast!

Thank you for considering this opportunity and for supporting children with disabilities in our area.

Sincerest Thanks,
